Justine Marie, our lovely cover model, speaks up to reveal what makes her tick, and pissing is just part of it. She is fun, experimental, and has a good time trying all new things kinky. Justine can be seen out and about in her favorite latex wear, heels clicking, on the streets of Manhattan. Such a fine fetish woman she is.

Calisi Ink stumbles into a pair of dirty doctors, Harmony Reigns and Kai Taylor. Tied to a rolling chair, Calisi licks and sucks away all their stresses, before and after, being assfucked in a very dirty three-way.

Gorgeous, silky-smooth Jessa Jordan struggles restrained to a padded cross. She proffers up her delightful backside and luscious pink in a veritable feast for the eyes.

Domina Stacey Saran is back with her helpless female submissive Gina in tow. Gina slyly indulges in a snack meant for her Mistress. All hell breaks loose at this revelation and poor Gina endures the Domina's wrath. But, alas, her punishment does not go unrewarded. Gina gets to lap the tasty juices of her Mistress in the end after all.

Thank you for your support over the last year. Enjoy the holiday season and stay safe out there.

"Now that I'm the number one submissive in our group, I'm finally allowed a smoke during a good piss. Sometimes I even get to piss on other submissives. They enjoy the golden shower as much as I do. There's great satisfaction in a piss-soaked, third-tier bottom clambering to light my cigarette. I know, I've been there before."

When did you start fetish modeling and under what circumstances?
I started when I was 18. I really love fetish style and wanted to see myself like the girls in the magazines I look at.

How did you feel the first time you took your clothes off for the camera?
I absolutely LOVE being naked, so super comfortable!

What fetishes do you like personally? What do you fetishize in your life?
I have so many fetishes. I love having my feet played with, love spanking and being spanked, lots of rope bondage play and I love wearing latex!

Do you wear fetish clothing in public? What are your favorite items?
I wear hoods and latex stuff often. A sexy pair of latex stockings are a staple in my everyday wardrobe.

Do you get public attention, wanted or otherwise, when dressed in fetish gear?
I do! I love wearing latex and leather out to bars and clubs. When dancing, seeing all eyes turn to me turns me on so much!

Are you dominant, submissive or a switch?
I'm a true switch, and a dominant lover. I would say I like to play off the sexuality of the person I'm with at the time.

Who first taught you about fetishism?
I learned about it myself! I'm a self-taught fetishist. I used to go to goth clubs so I got introduced to it early.

Do you like rough sex?
I do like it rough. Rough is really fun. Favorites are being choked, spanked, slapped and spit on especially.

Have you ever been pissed or pissed on others?
I LOVE water sports! ;)

How do you feel about anal sex?
Butt stuff ALWAYS!

Is there anything you would like to try sexually or in the kink realm that you have not done yet?
I've pretty much done it all! I would love to get stuffed by multiple people at once though. I've had threesomes but unfortunately have not been double penetrated, yet!

What is the wildest thing you have ever done sexually?
I've been tied up for multiple days and fucked whenever my partner wanted to! It was so hot! ;)

What is the most requested thing you are asked to do by your fans/followers? Any outrageous requests?
FEET FEET FEET! It's my favorite too.

Why did you want to shoot for TABOO Magazine?
I love the open, kinky sexuality and the really hot women in TABOO. I can't wait to see myself in print!

What kind of porn do you prefer? What do you search for on the internet?
I watch a lot of domination stuff, pegging and foot play mostly.

Are you in a fetish lifestyle partnership?
Yes I am! We love playing up each others kinks and exploring new things together.

Has the pandemic changed your sex life?
My partner and I are kinky. We haven't been able to play with anyone else during Covid, but soon we will be able to! Hurray for that!

Have you done fetish modeling before?
It depends on what you consider "fetish modeling," because I've done modeling in corsets and latex and leather, but it wasn't for a fetish audience. But I think this is my first *real* fetish shoot.

What kind of fetishes do you like and do you have an interest in fetish in your private life?
I like foot fetishes. My soles of my feet are very sensitive, even more than my *nipples*, so having them touched or caressed is a really intense experience for me. I probably don't have a real fetish in the *true* sense of the word, but I do like something called "edging"—building myself up to an orgasm, but then denying myself that orgasm for extended periods of time. But I'm a very open person, so if I'm with someone that has a fetish, then I'm open to indulging. :-)

Have you been spanked?
I *have*. I don't *always* like it, though. It depends on the circumstances, but I *do* like it in the moment during sex. I'm more submissive than I am masochistic. I'm not a pain slut, but I like sensations. So I like the feeling of being spanked during sex, but that's it. Maybe I could like it otherwise. I still surprise myself with my own sexuality, so maybe if the right person came along and spanked me in a way that I've never experienced… But at this point in my life, I think I'm only into it during sex.

What is the wildest thing you've ever done on set or in front of a camera?
Definitely, falling in love. That's wild! That's a crazy ride. I think that's the wildest thing anybody can ever do.

How did that craziness happen?
The thing about falling in love is that you can't control it. You literally have no way of stopping it or controlling where it goes. It's an insane experience.

Have you ever been pissed on or pissed on someone?
Yes, but I never considered it pissing. I think it's just semantics about the word "pissing," because I think that word is more of a fetish. But the times that I have played with that aspect of my physiology, it's been a beautiful, romantic thing. I think, in pop culture, "golden showers" are sort of meant to be psychologically degrading. But not in a bad way. So I've never really done it in a "fetish" way, if that makes sense.

So, did you enjoy it?
Yes. It was a beautiful experience.

Have you been the giver or receiver?
I've been more the giver. I have received it as well, though.

Did you piss in the person's mouth?
No, I was on top of them and they were inside of me at the same time, so it was a little more difficult…it took some time for me to actually expel anything, but it was a nice moment.

What do you think about anal?
I think *a lot* about anal! LOL

Do you act on your thoughts?
Yes, I do! I like anal! I'm all about experiencing sensations with everything in life, and anal is a *totally* different sensation, and I'm always wanting to indulge in every sensation that I can. Anal is great for me with large cocks and toys because I'm short in stature, so my vagina isn't that long; but my *butthole* you can go deeper in there, and it will be pleasurable for more length and more girth. I think it's fun! :-)

Are you more interested in the art of fetish modeling or the sex of fetish porn?
Everything to do with art is fascinating and wonderful. I'd have to say both. The great thing about fetish porn is that you get to get fucked, and that's *always* a wonderful thing!

Is there anything you'd like the TABOO readers to know about you?
Well, if they are reading TABOO, then they are already pretty open-minded, but I guess I always encourage everyone to continue to be open-minded. Always be willing to be even *more* open than you already are, because I think that we are not static beings; we're always evolving. Something that you thought was disgusting yesterday, tomorrow might seem like the most delicious thing that you could ever encounter.

Are you in a fetish relationship currently?
No, I'm not at the moment, but I wouldn't mind being in one. I'm open to everything. :-)
